

## Assessment of teaching by students

The online service for the evaluation of teaching by students is available for all courses in the bachelor's and master's degree courses.

The request is essential to proceed with the online booking of the exam relating to the course evaluated. The evaluations of the courses are in no way associated with the person who provided them

Non-attending students are also required to fill in an evaluation questionnaire, which is less complex than that proposed to attending students.

The questionnaire is organized in 5 sections:

1. Master or bachelor programme (questions D1—D3)
2. Course module (questions D4—D9)
3. Teaching (questions D10—D14)
4. Classrooms and equipment (questions D15—D6)
5. Satisfaction (questions D17—D18)
